## *A Season of Stewardship*

**Sunday, November 21, 2021**

11:00 a.m.

*In the Sanctuary*

*Please respect those gathering in prayer before worship.*

# Welcome to Worship! We are glad you are here.

Thank you for wearing your mask over your nose and mouth for the entirety of worship.

Children are a treasured part of this community! Please find a Worship Adventure Packet or a Busy Box at the tables in the foyers. Children are free to use these resources during the worship service as they sit in the pews or in the Wiggle Room.

For families who prefer to worship together in a more informal setting, the service may be seen and heard in the Wiggle Room (aka Brawley Room) adjacent to the sanctuary. Arts, crafts, books and other materials are also available there to engage younger children.

Please take a moment to turn your cell phone ringer off. Thank you!

**Notes for Today's Worship: Please return your 2022 pledge form.** It is not too late to turn in your pledge to support the ministries of Seattle First Baptist Church. The two easiest ways are to submit your pledge online or bring the form to church on Sunday and place in the offering boxes. **Thank you for your vital support!**

**After a year and a half** of our covid pandemic we are settling into a new normal. At SFBC this means asking all attendees to be vaccinated, continuing to wear a mask while inside the church and staying home if you are unwell. Our goal is to keep everyone safe from COVID. Children 5 and up are now eligible for the covid vaccine and those who are 65 and older, who have compromised health or who work with vulnerable individuals are encouraged to get their covid vaccine booster shot. In time everyone will be eligible for their booster vaccine. We encourage everyone to take advantage of the opportunity as soon as they can. We all want to work together as a church community to keep everyone around us safe. Thanks to everyone who is working so hard to make this happen. For questions about covid and guidelines in Seattle, King County public health has an excellent website that can be accessed at <https://kingcounty.gov/depts/health/covid-19.aspx>. *Sue Ross*, Church Nurse
